Section C: Comprehension MCQ (5 x 1m)

Read the passage carefully.

Animals have five different senses. The five different senses are sight, taste, hearing, smell and touch.

Different animals have different senses. A bat cannot see well. That is why we say "as blind as a bat". However, a bat can still find its way around.

A dog has a good sense of smell. It is able to know a person by sniffing at him or her. That is why a dog can help the police to search for missing persons.

Insects have eyes that can see things in almost every direction at once. That is why it is so difficult to catch insects such as flies.

Owls have very good eyesight. They can hear very well too. An owl can hear a mouse stepping on a twig from 75 feet away!

(Go on to the next page)

(Go on to the next page)

Section I: Open-ended Comprehension (5 x 2m)

Read the passage carefully.

Ah Meng is a shop assistant in a grocery store near the market. He is given the key to the store as he has to open the shop at six in the morning. Then, he has to pack the groceries, sweep the floor and clean the table.

By seven o'clock, he makes sure that the five metal racks of bread, cakes and cookies are displayed neatly outside the shop for sale. Ah Meng would also buy a cup of coffee for the owner who usually arrives at the shop by eight in the morning.

Ah Meng loves his job because he only needs to work six days a week. He usually sleeps late on Saturday nights as he does not have to go to work the next day. He is well-liked by all his customers as he is very patient and kind.

(Go on to the next page)

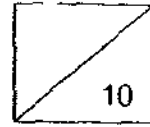

133
