Comprehension MCQ (5 x 1 mark each = 5 marks)

Read the passage below and answer the questions that follow it.

Daisy was a picky eater. She refused to eat anything with vegetables in it.

On Wednesday, Daisy fed her dog with spinach that Mother had cooked for dinner. On Thursday, Daisy was invited to Emily's house for lunch. She ate her spaghetti plain and left all the vegetables behind. 5

On Friday, Daisy and her family went to Pizza Hut for lunch. She refused to eat her salad. She threw a tantrum. Her parents were furious. She was not allowed to join them for dinner in a restaurant that evening. That night, she was only given cheese sticks for dinner by the babysitter. 10

On Saturday, at breakfast, Daisy saw her brother twirling a tiny paper umbrella. He told her it was from a Chinese restaurant.

Later that same day, Daisy and her family celebrated Grandma's birthday at a French restaurant. Daisy ordered a pie. 15
Daisy was a little disappointed when there was no tiny paper umbrella on her pie. Feeling hungry, she ate up every bit of the pie. Her parents were very proud of her. Daisy found the meal delicious and asked the waiter for the recipe.

"Very simple," said the waiter. "Just take some pie pastry 20
